To Whom It May Concern:

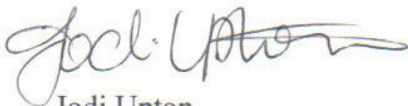

I have had the pleasure of working with Mary Parker on many occasions. She has always presented herself in a very professional manner, and is an absolute joy to work with.

I have had the opportunity of team interpreting with Mary many times. She has always been fully prepared for her assignments and is one of my favorite team interpreters, as she is always very focused on her job and ready at any time that I may have needed help. She also adapts well to changing or unexpected circumstances that may show up on the job.

I coordinate interpreters for community theater productions in Catoosa County. Sometimes it is hard to find interpreters willing to spend so much of their time and energy on a volunteer assignment. However, Mary has repeatedly volunteered for these assignments and has done a fantastic job. She has gone above and beyond as far as attending rehearsals and actual performances before the interpreted night so she is sure she is familiar with the material.

I highly recommend Mary Parker for any interpreting job. She has an incredible work ethic and wonderful personality that makes her not only a hard worker, but a very easy person to work with.

Sincerely,

Jodi Upton
